Booking

We advise that you book your **Wedding Suit** requirements as early as possible ideally six months ahead. We are pleased to take bookings at shorter notice, but your choice of suit may be restricted at busy times. **Dinner Suits** can be booked at a few days notice. However, boys suits can get booked very quickly at the time of school leaving proms.

Sameday hire surcharge £10

Fitting

Wedding suits will be fitted four to six weeks before the date of wear. The suit you try on then will be the one you hire so you will be sure of a good fit. It is not important for all members of a group to be fitted at the same time, fittings can be arranged at a convenient time to suit individual. Fittings on Saturdays are **limited and by appointment only** so please telephone in advance. It is not necessary to make an appointment for a weekday fitting.

Collection

Suits may be collected up to 24 hours before the date of wearing, or earlier by prior arrangement only.

Deposit

A part payment of £20.00 per person is required at the time of reservation. **Wedding balances are due 14 days before collection.**

Deposits and paid balances are forfeit in the event of cancellation.

Late Returns

The hirer undertakes to pay a charge of £10.00 per suit for each day that the goods are overdue.

Conditions of Hire

Goods are hired to customers on the understanding that they shall be returned to Philip James in an undamaged condition, and the hirer undertakes to be fully responsible for them at their current retail value until they are returned. In each wedding party, the groom is regarded as being responsible for all members of that party.

Optional insurance £8 per suit
