

## **Wedding Suit Hire – COVID-19 Rules**

During these unprecedented times, we are having to implement some changes to the way we operate our wedding suit hire business. Some of these changes are Government instructions and some are to keep our staff as safe as possible, by limiting the chances of them contracting COVID-19.

1. We can only accommodate a maximum of 2 people per wedding party at any one time.
2. On entry to the store you **MUST** use the hand sanitiser at the foot of the stairs and then follow the oneway system in place.
3. You will have your temperature checked, this will be done by an infrared no touch digital thermometer
4. You must wear a face covering that covers your nose and mouth
5. We are no longer able to provide a “trying on shirt”, so please attend either wearing a shirt, or bring one with you.
6. You will be requested to complete a health questionnaire to facilitate a track and trace system.
7. Finally, if you have symptoms stay away and rebook for another time. These symptoms include, but are not limited to, a new cough, fever, shortness of breath, loss of taste and/or smell.

We thank you for your understanding and patience at this time.
