Booking

We advise that you book your **Wedding Suit** requirements as early as possible ideally six months ahead. We are pleased to take bookings at shorter notice, but your choice of suit may be restricted at busy times. **Dinner Suits can** be booked at a few days notice.

Fitting

Wedding suits will be fitted four to six weeks before the date of wear. The suit you try on then will be the one you hire so you will be sure of a good fit. It is not important for all members of a group to be fitted at the same time, fittings can be arranged at a convenient time to suit the individual, preferably by appointment during the week. Fittings on Saturdays are **limited and appointments MUST be made.**

Collection

Suit collection will be arranged for a mutually convenient day.

Deposit

A part payment of £20.00 per person is required at the time of reservation. **Wedding balances are due 14 days before collection.**

Deposits and paid balances are forfeit in the event of cancellation.

Late Returns

The hirer undertakes to pay a charge of £10.00 per suit for each day that the goods are overdue.

Conditions of Hire

Goods are hired to customers on the understanding that they shall be returned to Philip James in an undamaged condition, and the hirer undertakes to be fully responsible for them at their current retail value until they are returned. In each wedding party, the groom is regarded as being responsible for all members of that party.
